OUADI HALFA GOES TO ENGLAND.

Paris, May 12.—Edmond Blanc's Ouadi Halfa has left this country and goes to England. The name of his actual purchaser and the consideration paid for the son of Yesterling and Persimmon have been kept secret on account of a promise. Of course, it will leak out long before the exile from La Fouilleuse has been sent to the post for one of those six furlongs events, which are more within his compass than the mile and the ten furlongs he has been asked to cover here. He is a good and remarkably speedy horse, and had his late owner taken a fancy to showing his colors in England, where short races are the fashion, something substantial would have been placed to the credit of his sire. Last season he won the Prix de Seine Marne, one and one-half miles and the Poule d'Essai Poulains, French Two Thousand Guineas, one mile, but was never accounted a stayer.

PROSPECTOR BECOMES A ROARER.

D. R. Browning's English three-year-old, Prospector, by Pioneer—Kendal Belle, has been struck out of the Derby, but left in the St. Leger. He was one of the best two-year-olds of 1907, but after a severe illness developed an infirmity in his wind. It was hoped that he would be able to equal the achievement of Prince Charlie, which, though a roarer, won the Two Thousand Guineas in 1872. but his complaint has become so bad it was decided to scratch him.

nt his complaint has become so bad it was decided a scratch him. Prospector only ran four times last year. Olympus eat him for the Kennet Plate at Newbury, but we won the Hurstbourne, Coventry and Surrey takes, and was by many good judges considered he best colt of the year,

CONDENSED HISTORY OF THE METROPOLITAN HANDICAP.

The eighteenth running of the Metropolitan Handicap will take place at Belmont Park this afternoon. This is the first of the four most coveted handicaps of the American turf, the other three being the Brooklyn, Suburban and Brighton, of long-established fame. When first established the Metropolitan was a dash of a mile and an eighth, and it was run at this distance until 1897, when it was cut down to its present distance of one mile, a concession to the three-year-olds, to which Voter responded by winning it that year, as did Bowling Brook in 1898, Filigrane in 1899 and Arsenal in 1992. One of the most notable occurrences in the history of the event was the dead heat run in 1905 between Sysonby and Race King. There was no standard of comparison between the two horses, but Race King was as fit as he could be, and Sysonby was not fully wound up for racing. A month later Sysonby could have given Race King Year. First. Age. Jockeys. Wt. Second.

twenty-five pounds and lost him at a mile. As a part of its statistics four-year-olds have won the race outright eight times, three-year-olds five-year-old once, six-year-olds twice, and once it has produced a dead heat between a four-year-old and a three-year-old, precedent being thus decidedly in favor of the four-year-olds. The record time for the race is Gunfire's 1:38g, made in 1903.

1903.

So far as the race of today is concerned, it can be said that it lacks in none of the elements that serve to captivate the imaginations of the racegoing public. Fifteen capital race horses, stake winners almost without exception, not one of which is not capable of running a mile in 1:39 or faster, are named to go, and the owners of others may conclude to send them to the post. It will be a race worthy of its history and its rich endowment. Its condensed history is as follows: Wt. Third. Age. Wt. Val. Time.

Three American owners have made nominations for the \$25,000 National Breeders' Produce Stakes to be raced for at the second summer meeting of Sandown Park, London, Eng., in 1910.

The conditions of the stake show the permanent foundation upon which the English turf stands, and are well worth the consideration of American racing officials. There is in these conditions a stout suggestion as to the improvement of the thoroughbred. Encouragement, too, is held out in the stakes' terms to all sorts and conditions of breeders and owners:

Jockey Walter Miller will ride out the season until June 6 on the local track. Mr. Williams' lightweight rider, Clifford Gilbert, will do all the riding for the stable in the east until Miller arrives. William Walker has abandoned his projected Canadian campaign and will race his big string at the coming Seattle meeting.

RECOGNIZED A GOOD THING AT ONCE.

"It will be a hard matter for the modern better to get used to the mutuels," says an eastern paper. Maybe so, but human nature must change most radically before men will find serious difficulty getting used to anything which returns such dividends as \$406 for an investment of \$5 on the probability of a selection for a place. Starter Mars Cassidy, whose home is in Washington, used to tell a story illustrative of this. A resident of the most remote back country of a Georgia senator's constituency once visited Washington during race time, and as a part of his entertainment the senator took him to the course. The constituent was as green as the plue trees of his native state. He had never seen a race course, and knew nothing whatever of betting, but he was much interested in the brilliance and novelty of the spectacle. After the first race had been run the senator said: "Let me have ten dollars," and the constituent did so without question. The senator absented himself for a short time, but soon returned and they saw the race. Once more the senator went away, but when he came back this time he handed his friend a hundred and ten dollars. "What's this?" asked the visitor, and he was told that it was his money. "How's that? How is it mine?" he persisted. "Well." said the senator, "that's for your ten dollars on the race just run." The amazed ruralist exclaimed: "Do you mean that this is mine, that for a tendollar bill I get a hundred and ten Because that horse won that race?" To which he was answered: "Certainly, it's all yours—a hundred and ten dollars for ten." The backwoodsman was not dumbfounded, by any means. He knew a good thing when he saw it closely enough: and he immediately seized his companion's arm with the eager exclamation: "Say, senator, how long has this thing been going on around here?"

SEAGRAM'S SECOND CALL ON SHILLING.

In addition to jockey Fairbrother, who will do the lightweight riding, Mr. Seagram's horses will have the advantage of the services of jockey Shill-ing. He is under contract to R. L. Thomas, but Mr. Seagram has secured second call on him,

BELMONT PARK'S OPENING.

RACING AT THE GREAT TRACK BEGINS TODAY WITH THE METROPOLITAN HANDICAP.

McCarter Deemed the Probable Favorite, with Whitney's Pair Second in Favor-John M. P. and T. S. Martin to Meet.

New York, May 12.—While the racing at Jamaica today was fairly interesting, the outlook for the opening of the Belmont Park meeting tomorrow, with the running of the Metropolitan Handicap and the New York Steeplechase, was apparently of vastly greater interest. When the entries were made public, showing fifteen named for the Metropolitan and assuring the anticipated meeting between John M. P. and T. S. Martin in the cross-country event, a successful beginning for the season at the world's greatest race track was put down as a foregone conclusion. Of the fifteen named for the Metropolitan, it is expected that twelve at least will go to the post. The probable starters, riders and opening prices are:

DEL CRUZADOR SCORES A FAST RECORD.

Defeats Righteasy in a Desperately Contested
Drive—Prejuicio Takes His Race.

Oakland, Cal., May 12.—There was, of course, no stake feature at Oakland today, but a fine brand or sport developed from a card composed of purse races which included two bristling with good thoroughbred material, for two-year-olds and three year-olds and over at four and a half furlongs and one mile respectively.

Two juvenile stars in Del Cruzador and Right.
Two juvenile stars in Del Cruzador and Right.

Two juvenile stars in Del Cruzador and the training finish through the length of the stretch after bumping her repeatedly. Jockey Walsh came out of the struggle with a badiy bruised left leg from contact with the fence and he limped up the stairs into the stewards' stand to lodge a claim of foul. This, however, was not allowed. The time made—523 seconds— was within one-fifth of the record of the struggle with a badiy bruised left leg from contact with the fence and he limped up the stairs into the stewards' stand to lodge a claim of foul. The time made—523 seconds— was within one-fifth of the record of the struggle with a badiy bruised left leg from contact with the fence and he limped up the stairs into the stewards' stand to lodge a claim of foul. This, however, was not allowed. T

tried to buy him, believing that American methods of training would bring an improvement in his running. They will now have a chance to demonstrate their theories, and from all accounts the borse is able to fulfill their expectations. T. S. Martin has schooled brilliantly and fast time and sensational fencing is looked for if both stay the course. The remainder of the card is ordinary and it seems rather odd to open a meeting such as that of the Westchester Racing Association with a selling race for maiden three-year-olds. Prep. ations have been made to handle a big crowd and the indications are for fine weather.

JAMAICA MEETING COMES TO A CLOSE. Trance an Easy Winner of the Suffolk Stakes Colloquy Shows Her Speed.

New York, May 12.—That sterling filly, Trance, which, when it comes to racing, certainly belies her name, was an easy winner of the Suffolk Stakes today. The best of her carded opposition, Fitz Herbert, Voodoo and Personal, were withdrawn and Trance dominated the situation so entirely that she was at a prohibitive price. It was only a good gallop for her.

The condensed history of the Suffolk Stakes is as follows:

as follows:
Year. Winner. Wt. Jockey. Val. Time,
1903 Ninepin 100 Bullman \$1,580 :558
1904 Waterside 107 O'Neill 1.550 :568

Priscillian, which only graduated from the maiden class a few days ago, made a leap into the handleap division by winning at one mile and a sixteenth with 119 pounds up in a ridiculously easy manner. He is a smart three-year-old.

After the horses had passed the finish for the third race, Saylor was either crowded to the rail or stumbled, giving E. Dugan a hard fall. The lad, although in a serious situation, did not lose his head, but quickly crawled and rolled under the fence to the infield, where he collapsed. It was only a brief fainting spell, however, for he was quickly revived and came out without a scratch, riding in the next race.

Colloquy found the fast track more to her liking and won the sprint handicap in excellent style. Gaylon Brown, the old-time western horseman, is now handling the stable of J. A. Wernberg, and is having great success. His name first appeared on the program as trainer yesterday, when Big Ben won. This success was repeated today by Druid, while Grimaldi was second to Colloquy in the handicap. The Wernberg stable is making a record for consistency this season, as out of seventeen starters only one has been unplaced.

There was some surprise that Uncle was not named as a probable starter for the Metropolitan, but there is no chance that he will be added. He was worked this morning, stepping the first part of a seven-furlougs gallop in very fast time. His first start will be in the Withers Stakes, one week from next Saturday.

TWENTY LEADING AMERICAN SIRES.

Through the earnings of his progeny Sain has a decided lead over all other American stallions in the matter of money won, and it is not at all improbable that to the state of Missouri may fail the distinction of possessing the leading sire of 190s. At present he more than doubles the total to the credit of his closest competitor, Planudes, Jack Atkin, with \$17,920, being the main contributor to his handsome total of \$50,672. Sain has so many fleet and hardy representatives in action that few days pass without some addition being made to his totals, and, unless last year's splendid representatives of Commando come out presently to repeat their triumphs of last year in the great stakes, he will be hard to catch with his present commanding advantage.

will be hard to catch with his present communications advantage.

By the time the Sheepshead Bay June meeting closes there will be great increases and changes in the totals credited to the leading sires, and it is not hard to perceive that some of those now among the first twenty will have been supplanted by others with progeny destined to capture a share of the big prizes of the year. Up to and including May 9 the twenty leaders, their winning representatives and the totals to their credit were these:

CENTRE SHOT'S DAM A SPEED MARVEL.

In connection with the return to form and recent show of quality by "Red" Walker's filly Centre Shot, a Woodlands product, it is recalled that her dam, Grand Shot, was a speed marvel with a brief career on account of an early mishap. A. F. Dayton, a good judge, who is now racing in California, recently said to Ben Benjamin of the San Francisco Chronicle: "There is no telling how good a mare Grand Shot would have turned out to be had not her racing career been brought to an early and unitmely end. I believe she was the fastest piece of horseflesh—the best filly, in fact—I ever saw. She made her debut as a two-year-old at the Fair Grounds track at St. Louis, where Dick Williams had her. Before she had a chance to show her real quality, though, an accident put an end to her usefulness for racing purposes. While being worked with other horses one morning she was jumped on and so badly cut down that she had to be retired."

The Walker string, of which Centre Shot and Stanley Far are, the leaders state east very work

and so badly cut down that she had to be retired."

The Walker string, of which Centre Shot and Stanley Fay are the leaders, starts east next week so as to be ready for northern circuit racing, which opens with the Toronto meeting May 23. Stanley Fay is in good condition. Walker's lot is well engaged at Woodbine, not excepting the steeplechase fixtures, to which both Blacklock and Harry Scott are eligible. No matter where the stable may go, several of the present string will be turned out untit fall. Among these are Catherine F., Henry O, and old Settler. Catherine F. was recently fired for a bad ankle and Henry O, is to undergo the same operation. Old Settler is a better horse than he has shown in California, and Walker believes that it will be policy to give him a chance to freshen up.

OAKLAND HORSES TO FAR NORTHWEST.

Several carloads of horses destined for racing on the West Canada Turf Association's circuit, scheduled to open at Cranbrook, B. C., May 18, left Oakland last week. The consignment was made up of thirty-three horses, the property of the following owners: James Coffey, 7; Barney Schreiber, 7; G. P. McNeil, 6; J. A. Lynch, 7; H. C. Ahlers, 3; William Durker, 3. Fitzgerald & Son, W. F. Walter and J. Pierce had previously left for the north with their stables in order to be on the ground early. The Schreiber horses were sent in charge of F. T. English; C. Wright will train and ride the Durker string; Charles Earl has charge of the Ahlers lot and has jockey McLaughlin to do his riding. Jockey T. Sullivan accompanied McNeil, who, with Coffey and Lynch, will personally attend to their own training. Jockey A. Wright probably will ride on the circuit and will depart later on. Al Dobson, who has the betting privileges over the circuit, is at Cranbrook.

LAW THAT STOPPED BENNING COURSE.

The act of congress which put the Benning track out of business, is short and to the point. Here is its verbiage: "It shall be unlawful for any person or association or persons to bet, gamble or make books or pools on the result of any trotting or running races of horses, or boat race or race of any kind, or on any election or any contest of any kind, or game of baseball. Any person or association of persons violating the provisions of this section, shall be fined not exceeding \$500 or imprisoned not more than ninety days or both."

NOTES OF THE TURF.

D. Armstrong has refused an offer of \$2,500 for Advancing. George W. Pierce, the steeplechase jockey, has contracted to ride the timber-toppers in the William Gerst string.

The London Sportsman is authority for the state ment that Mr. Belmont paid \$125,000 for Roel Sand, a figure that has many times been questioned

Trenten, one of the great grandsires of the present generation of horses, died in the autumn of 1905. He won over all distances from six furlongs to three miles during the four seasons he was on the turf in New Zealand and Australia.

In New Zealand and Australia.

Pontotoe will be shipped east from Oakland by
J. O. Keene, who has decided to make a jumper
out of him. He is six years old and was once
schooled for steeplechasing and gave promise of
making good through the field.

The American jockey, Lucien Lyne, previous to
his notable victory in the One Thousand Guineas on
Richard Croker's Rhodora, won the Esher Cup with
Lord Sefton's Littledale at Sandown Park on April
20. The race is a three-year-old handicap of 1,000
sovereigns and a cup valued at 100 sovereigns.

Went to post at 3:25. At post 5 minutes. Start good. Wen easily; second and third driving. Lord Filigrane, luckily and forwardly placed in the early running, drew out fast in the stretch and won off by himself. John H. ran lapped on the pacemaker from the start and drew out on the last turn, then gave way quickly to the favorite, but was a very game second. Ouardi, away very badly, seemed hopelessly rearrward on the backstretch, but closed an immense gap in the last half and was finally pocketed at the end. Johnstown, improving unexpectedly, ran in prominent contention throughout and is surprisingly good. Markle Mayer closed up steadily in the last seven furfrongs. Elie ran well. Entrada showed speed, but was shut off and repeatedly pulling up in the last three furlongs. The winner, entered for \$1,000, was bid up to \$1,400 by W. Walker and beught in.

Erbet was as easily best of the others and, after being outrun for three furlongs, quickly bassed Ramble, but never threatened the winner. Hoyle finished resolutely and took third place from Ramble in the final drive. The latter showed carly speed, but quit in the stretch. Borgne was always outrun. Belshaw, off bedly, ran green. Winner—B. f, by Toddington—Aliena (trained by J. L. Paul).

Went to post at 3:08. At post 6 minutes, Start good. Won driving; second and third the same, Inela, away fast and clear of interference, forced a fast early pace and, racing Lillian Ray into subjection in the first quarter, took the lead, stood the final drive gamely and outstayed Pinion in the last few strides. Pinion, away slowly and going wide, moved up with a rush after going a furlong and, joining the leaders in the stretch, appeared a certain winner in the last furlong, but bore out badly near the end, which cost her the race. Lillian Ray set the early pace and finished gamely, but tiring. Alice had a recugh trip and was inneeded in the first quarter, but came fast through the stretch and thished resolutely. She Wolf ran fairly well. Mexican Girl also ran fairly well for a first out. Zia, almost left at the post, has shown fast trials and is a reported good one. The winner was entered for \$600; no bid.

Overweights—Inela, 3 pounds; Hazel May, 2.

Went to post at 3:45. At post 1 minute, Start good. Won driving; second and third the same.

Hasty Agnes, in close quarters most of the way, came fast when clear in the last furlong and won drawing away. Colonel Jim Douglas began slowly, but meved up steadily in the stretch, was going fastest at the end and is rounding into his best form. Al Muller set a fast pace, but tired from his early effort. Chellita was a game contender for five and a half furlongs, but tired as if short and will improve. Wook Sandal had no mishaps. Pasadena, out of place in sprints, was close up and going fast at the end.

Went to post at 4:20. At post 1 minutes. Start good. Won driving; second and third the same. Sir Cleges, running to his best form and away fast, followed Darknight closely for the first three-quarters and, taking the lead in the last furlong, appeared an easy winner, but had to be ridden out at the end to outstay W. T. Overton. The latter ran a good race and finished with a rush. Darknight fired fast in the stretch drive, but showed speed and was made much use of for the first three-quarters. Dunvegan sulked and ran poorly. Simon Weil was beaten off throughout.
